## EDUCATION

### Online BSc degree in Data Science and Programming

IIT Madras

01/2021 - 01/2024

8 GPA

### B.Tech (Information Technology)

College of Engineering Roorkee(COER)

05/2018 - Present

70%

### 10+2(Science)

SGRR (Bindal)

04/2016 - 04/2017

60.2%

### 10th

Delhi Public School

04/2014 - 04/2015

9 CGPA

## PERSONAL PROJECTS

### Climate Clock

- Digital climate clock using Raspberry Pi based on IoT .

### PC build

- Built my custom PC by learning myself without any prior experience of PC building.

### Maze solving car

- Mini car equipped with ultrasonic sensors to calculate distances and find its way out of the maze.

## INTERNSHIP

### Software Development Intern

Camfy Vision Innovations Pvt. Ltd

07/2021 - Present

6 months Summer internship at Camfy Vision Innovations Pvt. Ltd

## SKILLS

Machine Learning

Data Science

Python

Computer vision

SQL

Git

IoT

Analytical Skills

Initiative and Problem-solving Abilities

## ACHIEVEMENTS

Cracked IIT Madras online Bsc national level exam (December 2020).

Secured first position in Maze solver 2.0 competition by Robotics and Automation society, IEEE student branch, Quantum university.

## CERTIFICATES

### Rubicon Barclays training

Attended 14 Days -Connect With Work- Certification program on Corporate Ethics & Etiquettes Sponsored by Rubicon Barclays.

### Python Cetpa Infotech

Completed 6 weeks winter training in "Python" at "Cetpa Infotech Pvt. Ltd"

### TCS career edge

Attended 8 weeks TCS iON workshop "Career edge-Knockdown the Lockdown".

### Blockchain TEQIP-III UTU

Workshop on "Blockchain Technology and IPR" at College of Engineering Roorkee under the aegis of "TEQIP -III UTU, Dehradun"

### VAP computer hardware & networking

Completed value added program on "Computer Hardware and Networking" at College of Engineering Roorkee .

## LANGUAGES

English

Full Professional Proficiency

Hindi
